DECLARATION

Commissioner For Patents Washington DC 20231

Dear Sir:

I, Anita Eisert, declare and state that:

- 1. I am Ms. Jean Baker's legal secretary and have been employed in that capacity since July, 1993.
- 2. With regard to Ms. Baker's correspondence with the U.S. Patent and Trademark Office (USPTO), it is my routine business practice to photocopy all signed correspondences for Ms. Baker's file, put the originals in an envelope, and then leave the envelope with a messenger from our mail room for deposit with the U.S. Postal Service.
- 3. I also keep an electronic log book for everything that Ms. Baker sends to the USPTO. That is, I record an entry in the log book for everything being sent to the USPTO after I leave the envelope with a messenger from our mailroom.
- 4. I checked my electronic log book and found an entry for filing a response to restriction requirement on July 8, 2002 in the above-identified case. This indicates to me that a response was filed on that day.
- 5. I hereby declare all statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and the such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
